SUMMARY

A Bachelor's degree student in Information Systems Management (Hons.) at Universiti Teknologi MARA (UiTM), expected to undertake an internship from **1st September 2026 until 12th February 2027**. Passionate about system design and development, information management, data analyst, database development, web administration, networking, IT support, and IS related work.

EDUCATION

Universiti Teknologi MARA (UiTM), Puncak Perdana **2025 - Present**
Bachelor of Information Systems Management (Hons.)
CGPA: 3.54 | Dean's List in Semester 4

Universiti Teknologi MARA (UiTM), Rembau **2022 - 2025**
Diploma in Information Management
CGPA: 3.72 | Vice Chancellor's Award | MUET : Band 4.0

PROJECT EXPERIENCE

JasmineHub Parcel Management System **Feb 2026**
Database Management System Project | Framework: React.js, Node.js, Express.js, MongoDB Atlas, TailwindCSS.
Link: <https://parcelsystem.vercel.app/>

- A web-based parcel management platform that centralizes parcel tracking, collection, and administrative operations using MERN.
- Designed features such as parcel tracking, automated weight-based pricing, overdue penalty calculations, and multiple payment options.
- Administrative dashboard that allows staff to manage parcel records, user accounts, courier information, categories, and customer inquiries efficiently.
- Integrated reporting and monitoring features to provide insights into parcel activities, collection records, and overall system performance.

Computer Hardware Upgrade & Deployment Project **Aug 2024**
Internship Project | Information Technology Unit, JAIS

- Participated in a large-scale hardware upgrade project involving multiple departments within JAIS during diploma internship.
- Replaced and upgraded RAM and SSD components to enhance workstation performance and reliability.
- Performed disk cloning and data migration from HDDs to SSDs while maintaining existing system configurations.
- Assisted in PC assembly, hardware installation, and system testing activities.

LEADERSHIP & ACTIVITIES

Final Year Project Special Task Committee Leader - Inkspire Future

Jan 2025

- Served as Special Task Committee Leader for the Final Year Project (FYP) program.
- Collaborated with Kumpulan Media Karangkrak for event planning and coordination.
- Assisted every other FYP committee to ensure event smoothness such as event activities planning, event advertisement, and event preparation.

SKILLS

Technical Skills : C++, PHP, HTML, CSS, JavaScript, React.js, Node.js, Express.js, Next.js, MongoDB, Figma, MySQL, Microsoft Project, Microsoft Office, Tableau, Canva, Wordpress, Wix.

Soft Skills : Teamwork, Problem-solving, Time Management, Communication Skills, Adaptability, Critical Thinking.

Languages : Malay (Native), English (Intermediate).
